August 22, 2016

In compliance with the Environmental Protection Agency’s Asbestos Hazard Emergency Response Act (AHERA) and Louisiana Administrative Code Volume II, Air Quality Division Title 33, Chapter 27, Asbestos Containing Materials in Schools and Public Building Regulation, the JS Clark Leadership Academy wishes to notify you of the following:

This letter represents the annual notification regarding asbestos-containing materials in schools. Periodic surveillance and other preventative measures are ongoing. These actions have been documented and placed into the Asbestos Management Plan.

Our asbestos management plan is on file in the Central Office. If you have any questions about the Management Plan or want to view a copy of the management plan, you may contact Mrs. Gwen McIolthen, the asbestos-designated person for JS Clark Leadership Academy at (337) 948-3112.

With Warm Regards,

Tiffanie Lewis, CEO & Head of Schools
